## NOTES FROM BENSON & JENNY:

# Happy New Year!

We hope you all enjoyed a wonderful holiday! We would like to thank our parents and students who participated in our 2021 Fall Recital and it was a blast!

Our recital provided not only a platform for students to perform their musical pieces on stage, but also an exciting opportunity for students to observe how other musicians do on stage.

Performing in front of a live audience could be a rather nerve-racking experience for many, but Flower Mound Music Academy is so proud of each of our students who made the efforts and commitment to give their best and share their talent with everyone!

Lastly, we would like to also thank you for your understanding and patience during the transition when we settle at the new location. During the break, we have installed observation windows on every door so that you can observe your child's lesson. We also have an open door policy to welcome parents to sit in during a student's lesson if you wish. You are welcome to relax in our lounge area and enjoy the Wi-Fi and some good music. Thank you for your continued support and we look forward to the year of 2022 !

*p.s. If you or your children have a performance coming up or any news related to music, don't hesitate to keep us informed! Please write to our editor, Catherine at [injoymusic17@gmail.com](mailto:injoymusic17@gmail.com) . Title: newsletter!*
